

# Watch my magic feet

## Een Engels versje

Wat kan jij allemaal met je voeten? Heb jij misschien ook magic feet?

I'm cool, I am,

I have magic feet,

see me whizz

along our street.

when I play ball

all those I meet

stop to look at

my magic feet

I can kick a ball

to the end of the park,

and you won't find it

till it gets dark.

I can kick a ball

and make it fly,

watch it vanish

into the sky.

So look at the magic

of my flick kicks,

watch my feet

they do magic tricks
