

The robot dog

Een Engels versje

De meeste honden houden van spelen, snuffelen en lopen. Robothond Sam moet daar allemaal niets van hebben. Kijk maar!

Some dogs play with rubber toys,

Some dogs round up sheep,

Some dogs make a lot of noise,

My dog Sam chews feet.

Some dogs like to swim and splash,

Some dogs search for clues,

Some dogs like to dive and dash,

My dog Sam like shoes.

Some dogs love to lick your hand,

Some dogs lick your faces,

Some dogs bark to beat the band,

My dog Sam likes laces.

Some dogs sniff round lamps and trees,

Some dogs like to doze,

Some dogs swallow wasps and bees,

My dog Sam likes toes.

If you take a walkabout,

Tiptoe down the street, 'cos....

Sam's a brute when he gets out

My dog Sam bites feet!
