

Wild weather

Een Engels versje over het weer

Soms regent het, soms schijnt de zon. Ken jij nog meer woorden over het weer in het Engels?

On a wild old walk

a while ago

We climbed a hill

we turned a bend

we crossed a stream

we stopped and then

...SNOW!

Big snow thick snow

snow you could lick snow

white snow bright snow

snow snow snow!

... WIND!

Big wind warm wind

blowing up a storm wind

high wind wild wind

wind wind wind!

... RAIN!

Big rain wet rain

hard as you can get rain

warm rain storm rain

rain rain rain!

... SUN!

Big sun hot sun

oh what a lot sun

bright sun light sun

sun sun sun!

... SNOW! WIND! RAIN! SUN!

It all began with a fall of snow -

on a wild old walk

a while ago
