

# It's raining

## Een Engels liedje over de regen met gebarentaal

**Don't you just hate the rain? Come and sing a song about it, that will make everything better!**

Hello I'm Cat. This is one of my favourite nursery rhymes, would you like to hear it?  
You would, great, ready!

It's raining  
It's pouring  
The old man is snoring  
He went to bed and bumped his head  
And he couldn't get up in the morning  
Rain rain go away  
Come again another day

Ah I hope the rain has gone away  
outside your window
