

Summer song

Een Engels liedje over de zomer

We all love the summer! This song is about everything that makes the summer so great. Can you sing along?

All the days feel longer,
And the bees are buzzing by,
Swim, run, bounce,
Not a cloud up in the sky

Trampoline for hours,
Splashing all around,
Sniffing all the flowers,
Ice-cream to cool you down,

We all love the summer,
Sunny days are like no other,
Cbeebies love the summer,
The sun is out to shine,
So it must be summertime

Playtime!

We all love the summer,
Sunny days are like no other,
CBeebies love the summer,
Dancing all around because the sun has come to town

O' yeah!
